FUND DESCRIPTION

This fund invests in bank deposits and short-term investments on international and domestic money markets. It is intended to be a low risk investment but you should be aware that this fund could fall in value. This could happen if, for example, there is negative growth on the underlying assets, if a bank the fund has a deposit with cannot repay that deposit, or if the fund charge is greater than the growth rate of the assets in the fund.

Warning: If you invest in this product you may lose some or all of the money you invest.
