FUND DESCRIPTION

This fund has been specifically designed for investors in post-retirement products, who are making or may need to make withdrawals from their plan. The fund invests in a wide range of assets with a focus on income producing assets such as bonds, shares, property as well as cash and externally managed specialist funds. It also features several risk management strategies. The fund aims to have a small percentage invested in higher-risk assets such as shares and property. The fund is not guaranteed to produce an income. The fund manager monitors and rebalances the fund regularly and may change the asset mix and risk management strategies over time.

Warning: If you invest in this product you may lose some or all of the money you invest.

BOND COUNTRY DISTRIBUTION

The assets in this fund may be used for the purposes of securities lending in order to earn an additional return for the fund. While securities lending increases the level of risk within the fund it also provides an opportunity to increase the investment return. External asset managers may change over time. Underlying funds or investments may be subject to incentive fees. Part of this fund may borrow to invest in property. Non euro currency exposures may be fully or partly hedged back to euro to reduce foreign currency risk. High Yield Bonds are sub-advised by an external manager.

This fund is provided by Irish Life Assurance plc and is managed by Irish Life Investment Managers Limited.

Warning: This fund may be affected by changes in currency exchange rates.
