FUND DESCRIPTION

The Setanta Managed Fund is a multi-asset fund investing in stocks, bonds, property, financial instruments linked to the price of commodities and cash-type investments. The fund will hold between 50% and 80% of its assets in stocks, with the rest made up of bonds, property, financial instruments linked to the price of commodities and cash-type investments. Non euro currency exposures may be fully or partly hedged back to euro to reduce foreign currency risk. The aim of the fund is to secure long term growth on the amount invested.

Warning: If you invest in this product you may lose some or all of the money you invest.
