FUND DESCRIPTION

This fund invests in a blend of alternative investment funds managed by a range of global best-in-class investment companies. The target return is cash deposit rates + 4% p.a and the volatility objective is 4 to 8%. The return and volatility targets are not guaranteed. The fund consists of approximately 15 to 20 underlying investment funds thereby eliminating the single manager risk inherent in many absolute return funds and delivering diversification across strategies and investment managers. Irish Life Investment Managers monitors the underlying investments funds and can change them.

Warning: If you invest in this product you may lose some or all of the money you invest.
