

SUSTAINABLE FINANCE DISCLOSURE REGULATION

PRE-CONTRACTUAL DISCLOSURES WITH RESPECT TO OUR STRATEGIES WHICH PROMOTE ENVIRONMENTAL AND SOCIAL CHARACTERISTICS

The Sustainable Finance Disclosure Regulation (SFDR) is an EU regulation that came into force on 10 March 2021, and imposes disclosure requirements for financial products as defined under SFDR. These requirements include disclosing sustainability-related information for financial products that (i) promote (among other characteristics) environmental and/or social characteristics (Article 8 products), or (ii) have a sustainable investment objective (Article 9 products), both as defined under SFDR.

With effect from the 10 March 2021, Irish Life Investment Managers (“ILIM”) has categorised the following strategies as meeting the provisions set out in Article 8 of SFDR for products which promote environmental and/or social characteristics.
